Responsible Internet Use

As part of your child's curriculum and the development of computing skills, Hill Avenue Academy is providing supervised access to the Internet. We believe that the effective use of the World Wide Web and email is worthwhile and is an essential skill for children as they grow up in the modern world. Please would you read the attached Rules of Responsible Internet Use and sign and return the consent form so that your child may use the internet at the Academy.

Although there are concerns about pupils having access to undesirable materials, we have taken positive steps to reduce this risk in the Academy. Our Academy internet provider operates a filtering system that restricts access to inappropriate materials.

I give consent for my child to have supervised use of the internet	
I DO NOT give consent for my child to have supervised use of the internet	
I give consent for my child's learning to be shared on the academy website	
I give consent for my child to receive online educational materials
