Dear Parents and Carers,

We are fast approaching the half term break and the children are continuing to work hard in all their lessons. They are always so enthusiastic to tell me about their learning when I informally visit them in their classrooms or during lunchtime. The fresh bright faces of our new Nursery and Reception children skipping into school has truly been a joy to see! I would like to take this opportunity to congratulate all the children in school for starting the new school year with such a positive approach. Well done! We are so proud of you all.

The classroom environments and corridor displays look phenomenal and they evidence the progress that the children are making. Whilst the learning can show how much the children have progressed academically, I have been even more delighted with how the children have progressed (and grown) socially since they have returned to our school. Despite all of the uncertainty, the smiles on the children's faces have continued to grow bigger and bigger as the term has gone on. Feedback from parents has also been highly pleasing and our school continues to be a happy and vibrant place to be in each day.

To share and showcase our children's' achievements and learning so far, we have created a virtual tour of our school which will be uploaded to the school website. We hope you enjoy the viewing experience.

I have been delighted with how the school community has worked with the leadership of the school to help deliver a safe return for the children. The range of additional measures have been well received and there is also recognition of how we continue to refine and enhance our approaches. We cannot thank you all enough for your continued support.

Appointment of Head/Deputy Boy and Girl

Appointing a new Head Girl and Boy at Hill Avenue is a great pleasure, both for the school and the four pupils who have succeeded in the selection process. This year our new Head Girl is Nicolette and our Head Boy is Himmat. Kobi and Evie will assist them as our two Deputies.

The process began in September when all our Year 6 children were invited to apply to become a Head/Deputy Girl / Boy. Judging by their presentations and speeches, all those who applied took this very seriously. It was particularly gratifying that they emphasised their personal qualities, academic, sporting and artistic achievements. At Hill Avenue Academy character matters as well as the brilliance and the desire to serve the school. These amazing qualities shone through in their presentations and speeches.

The role of Head Girl and Boy is not just a public one – addressing the parents or visitors, for example – but also to be approachable by all of the children. They will chair our Pupil Leadership meetings and liaise with the school leadership team. In this, we believe, Nicolette and Himmat will do an excellent job; whilst being ably assisted by Evie and Kobi.

Mental Health Day

On Friday 16th October the children, staff and families of Hill Avenue Academy supported this pledge by dressing in clothes that made them feel happy and confident. We raised a grand total of £106.00 and all funds raised will be donated to the 'Mind' charity. Thank you for your generous donations.
