

CLL

Children will develop skills such as being able to maintain their attention for longer periods, following a story without pictures or prompts, listen, and respond to ideas from others in conversation. Children will be learning key vocabulary each week linked to the text they are reading. They will learn how to use this language in context and use it in their play.

PSED

To support children with managing feelings and behaviour, children will learn about rules and boundaries in our school but also community. To develop self-confidence and self-awareness children will be thinking about what they are good at and what they enjoy doing. Children will have lots of opportunities to develop confidence through small group learning opportunities.

PD

To support the development of health and self-care skills, children will learn about staying safe and healthy. This will involve learning how to stay safe online, by water, in the house, in the sun and crossing roads safely.

Curriculum enrichment

Classroom environment changed regularly (a wormery, police station, Chinese restaurant, fire station and a vet surgery)

Visits from a police officer and the fire service.

Chinese New Year food tasting and celebrations.

Key texts

- Superworm
- Topsy and Tim 'The Police'
- Chinese new year – non fiction
- Tell me a dragon
- Topsy and Tim 'The Fire Service'
- Vets – non fiction

Literacy

In Literacy, children will be learning about the features of a book for example title, blurb and illustrations. They will develop prediction skills. Children will be learning how to write words using the sounds they know. They will then use this skill to

Mathematics

In mathematics children will be learning recognise numerals 1-5, moving on to 10. They will learn how to order and compare numbers. Children will be developing their understanding of measurement. They will order and compare lengths and move on to measuring length in non-standard units.

EAD

In Expressive Arts and Design, children will be learning techniques to shape, assemble and join materials. Children will use these techniques to build an emergency service vehicle.

UTW

Children will be learning about different people in our community such as fire fighters, police officers, paramedics and vets. Children will learn how and why people celebrate Chinese New Year.

Spring Term 1
