Celebrations

We would like to take this opportunity to wish everyone on the celebrations that took place during the holidays. These included Easter, Vaisakhi, Navratri, Gudi Padwa and many more. To all those that have celebrated, we hope it was full of love, laughter and happiness with family and friends as much as possible.

We would like to take this opportunity to wish everyone Ramadan Mubarak as Muslims all over the world take part in prayer, reflection and fasting.

Our Fantastic Learning

We would like to showcase the phenomenal learning from our children last half term. They inspire us through their dedication, care and enthusiasm towards their work. As well as this, we would like to show you the fun the children had during our experiential days of learning about Easter and Reading.

Welcome Back!

We would like to welcome back our wonderful children after the Easter Break. We can see they have come back well rested and with a new drive and fervour to learn.

Summer term will be full of fun, engaging learning opportunities to continue to grow our little minds and inspire an enjoyment for learning. Children will be learning about a range of different topics ranging from taking a journey through World War 2 to becoming inventive and inquisitive by studying about magnetism. We look forward to your continued support this Summer term.
