Welcome Back!

We would like to welcome back our wonderful children after Whit Week. We can see they have come back thoroughly rested having enjoyed some lovely weather!

As we come up to the final few weeks of Summer term, we want to ensure children have a half term to remember. They will be engrossed in some fantastic learning across the coming weeks which I'm sure they will enjoy! Children will be blasting off into a colony on the moon as well as becoming creative designers for DT. They will have opportunities to become scientific explorers and budding artists as they end their year.

We would like to wish them all the best for this half term and once again, thank you to all parents for your phenomenal support in sending in resources, recycling to make children's learning come to life this term.

Weather

We would like to take this opportunity to thank all parents for ensuring children have come well prepared for the changes in weather these recent weeks. If we could ensure that we continue this for the second half of the term by ensuring children come into school with their own water bottles as well as applying sunscreen before coming into school (if necessary). Alongside this, please ensure children are wearing the correct P.E kit for the weather to ensure they remain comfortable whilst enjoying their sports learning.

Our Fantastic Learning

We would like to showcase the phenomenal learning from our children last half term. They continue to inspire us in new ways everytime. The children have thoroughly enjoyed their learning as can be seen from the fantastic outcomes they have produced and we can't wait to share what they produce this half term!

Art Award

As part of our continuous celebration of children's learning, we have had the privilege of showcasing the children's learning for a national art award which has been awarded to all year 6 pupils just in time for their final year here at Hill Avenue Academy. A huge congratulations to all the children as it was thoroughly deserved!
